

VSSC Floor Hockey Goaltender Equipment Requirements

COVID-19 Equipment Modifications: Goaltender equipment is the responsibility of each team. All goaltender equipment (with the exception of the goaltender stick) will not be available onsite.

Teams are required to wash/sanitize all team equipment before and after the game. Do not share your equipment with other players.

Goaltender equipment must meet the requirements below.

Goalies are required to:

- Wear a helmet/mask at all times with no exceptions.
- Wear hockey socks or pants over shin guards with buckles.
- Use a non-marking goalie stick (VSSC reserves the right to deem a stick ineligible if it is causing damage to the facility floor).

Goalies are permitted to wear:

- Ball hockey goaltender pads OR fitted shin guards.
- Blocker & trapper (any size is permitted).
- Pants (ice hockey player pants).
- Chest protector.

Goalies are not permitted to:

- Wear or use any goalie equipment which can damage the gym floor.
